BCDA's First Zoom Lecture *will be*

3D Printing:

The Pragmatic Digital Tool for General Practitioners

with **Usa Bunnag, D.D.S.**

BCDA is excited to be hosting our first Zoom lecture with Usa Bunnag, D.D.S., FACD, FICD speaking on "3D Printing: The Pragmatic Digital Tool for General Practitioners" on Tuesday, November 24, 2020 from 6:30 until 8:30 p.m.

THE SPEAKER: Doctor Usa Bunnag was a dental assistant for 13 years before graduating from the Howard University School of Dentistry in 1994. She now owns two dental practices in which she incorporates digital and laser dentistry, including Cerec CAD/CAM, Solea laser, and 3D printing. She has been a Cerec user for 14 years and added Solea and 3D printing in 2018. Doctor Bunnag founded Smiles on Wings, a charity providing humanitarian aid in remote villages of Thailand. She was recognized by the American Dental Association in 2017 as Humanitarian of the Year and by the International College

of Dentists as Distinguished Humanitarian in 2019. She has two grown children and is a caregiver for her husband of 37 years.

THE TOPIC: Doctor Bunnag's lecture will begin with an overview of clinical applications for 3D printing for general practitioners. She will introduce and explore the options for 3D printing models for clear aligners, surgical guides and nightguards in the office. Learn how using digital technology can save you time and money and increase profits in your dental practice.

REGISTRATION IS AVAILABLE ONLINE ONLY: All dentists and staff are welcome to attend for \$25 per person. The meeting ID and password will be sent to the email address you provide during the registration process. On November 24th, registrants can begin log in at 6:30 p.m. for social networking. Doctor Bunnag's lecture will begin promptly at 7:00 p.m. Certificates for two hours of CE credit will be emailed to registrants once their meeting log-in and online time have been verified.
