The Presidents' Corner

Dear Friends and Colleagues,

It is hard to believe that I am writing the final message of my 2017 term as POBCDA (President of the Baltimore County Dental Association). The Executive Board has been working on implementing many new ideas which you will hear about in the Fall. One of the projects, which I had mentioned at the March Dinner Meeting, is the development of a website for our organization. Thank you to Dr. Jay Toth for spearheading this endeavor through Officite.

I am pleased to announce that our May meeting will once again be held at the Hunt Valley Golf Club on Tuesday, May 23, 2017 beginning at 6:00 pm. Dr. Gary Warburton will be speaking on "Rejuvenation of the Aging Face". This presentation will be informative not only for dentists, but also for spouses and team members. Please join us for this special evening, where we will also be voting on our new slate of officers for 2017-2018.

As the saying goes, "All good things must come to an end." I wish Dr. Bill Martin good luck as he takes over as your President in September. I will continue to be the Chair of the Arrangements Committee and have many speakers lined up for next year. Please get in touch with me over the Summer if you have heard any great speakers that you think our organization would enjoy as well. You can email me your ideas. Have a wonderful summer and I look forward to our upcoming Fall meetings. I hope to see you at Hunt Valley Golf Club on May 23rd.
